

BraunAbility

Life is a Moving Experience™

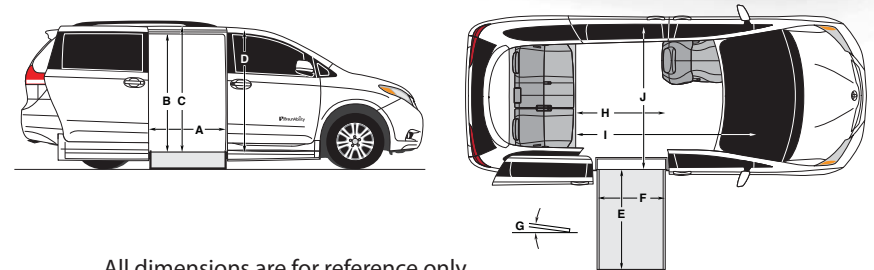

Toyota Power Infloor

Freedom of Choice – that’s what the new Toyota Power Infloor adds to our already diverse product line-up. BraunAbility’s first in-floor ramp option stows away neatly under the floor, allowing obstacle-free entry and exit for ambulatory passengers. The easy ramp angle and added side rail security makes accessibility a breeze. Add to that the sleek new and improved Step-and-Roll seating, and this is another first class mobility option on a world-class chassis.

In-floor Ramp

With a ramp angle of 8.8 degrees and the smoothest possible transition, no one makes it easier to get in and out of your vehicle.

All dimensions are for reference only.

Door Opening Usable Width (Slide Door)	A	31"
Door Opening Usable Height (Slide Door)	B	54-1/4"
