Life is a Moving Experience™

Chrysler/Dodge Power XT Side-Entry

One of the most popular wheelchair vans in the industry, the Chrysler/Dodge Power XT Side-Entry offers greater visibility and more head clearance (56-1/2" through the sliding door) than any other option in our line-up. That's an additional four inches more than standard side-entry models!

You'll also appreciate the interior roominess, allowing for easier wheelchair navigation. An improved kneeling system lowers the rear suspension further than ever before, resulting in a lower, more wheelchair-friendly ramp slope.

Come see why this is one of the most popular conversions in the industry. Visit your BraunAbility dealer today!
