SECONDS

FIND OUT HOW OUR
STOWAGE SOLUTIONS
CAN HELP YOU REGAIN
YOUR FREEDOM

Struggling to lift your wheelchair or scooter?

The Smart Lifter hoist makes light work of lifting and loading your wheelchair or scooter into a wide range of vehicles, allowing you to get back to enjoying your freedom.

The Smart Lifter Range

Our powerful range of hoists lift all types of wheelchairs, powerchairs and scooters into the widest range of vehicles giving you more choice and freedom over what you choose to drive.

The Smart Lifter Range offers in-vehicle hoist solutions for lifting and loading your wheelchair, powerchair or scooter. No need to fuss with ramps or hitch-mounted platforms – and your device will stay safe and dry protected from the elements too! It's the ideal solution that saves you or your loved one struggling with lifting heavy parts and allows you to keep your independence when venturing out of the house.
